Next's Industry Co.,Ltd

The Sustainable Development Goals (SDGs) are international goals for the period 2016-2030 set forth in the 2030 Agenda for Sustainable Development, adopted at the UN Summit in September 2015, consisting of 17 goals and 169 targets.

Challenging Job

We will strive to promote the physical and mental health of our employees by implementing and recommending periodic health checkups, providing health guidance, and implementing mental health care measures.

We will strive to improve the efficiency of labor production by curbing long working hours, encouraging employees to take paid leave, and promoting "no overtime" days.

Sustainable Management

We make sure all suppliers that workers' rights are protected.

We have established a system to share customer complaints internally and ensure that they are delivered to management.

Responsible corporate behavior

We will contribute to the creation of livable communities through the supply of construction tools.

We will contribute to the development of local communities through quality assurance and responsible procurement activities.

We will establish a system that enables us to respond promptly to customer requests and always strive to work closely with our customers.
